ASTROCADE UNVEILS SOCCER/DRIBBLING VIDEO GAME CARTRIDGE AT
CES

CHICAGO--Astrocade, Inc. (formerly Astrovision, Inc.)
unveiled today its SOCCER/DRIBBLING video game cartridge at
the Consumer Electronics Show here today.

SOCCER/DRIBBLING is licenced from Model/Racing USA,
Inc., an Italian firm. It is a version of the Dribbling
arcade game, which has been very popular in Europe and was
recently introduced in U.S. arcades.

"SOCCER/DRIBBLING is the fastest-action soccer game on
the market," according to Action Graphics president Robert
Ogdon, supplier of the game to Astrocade. "It also has the
feel and speed of the popular foosball game," he added.

SOCCER/DRIBBLING lets you dribble, pass, shoot (kick)
and do everything a soccer player can do in a real game.

SOCCER/2

It can be played only on the Astrocade home video game.
One to four players can play. SOCCER/DRIBBLING will be
available this Fall at Astrocade dealers, priced at \$34.95.
