DEAR SIRs,

SPECTRE SYSTEMS HAS COME  
OUT WITH A SPECIAL HANDLE  
FOR THE BALLY ARCADE, THIS  
CONTROL WILL HAVE ENOUGH  
FUNCTIONS FOR A "DEFENDER" GAME.

IT HAS A  
JOYSTICK PLUS  
3 SEPERATE  
BUTTONS.

THIS WOULD WORK WELL FOR  
"DEFENDER". SO THATS WHY I'M  
ASKING YOU TO COME OUT  
WITH "DEFENDER" AS AN  
ASTROVISION CARTRIDGE BUT  
WITH A DIFFERENT NAME OFCOURSE,  
"DEFENDER" IS THE MOST POPULAR  
ARCADE GAME RIGHT NOW. MAYBE  
YOU COULD GET TOGETHER WITH SPECTRE  
SYSTEMS AND WORK  
SOMETHING OUT.

SINCERELY,

*Mark Heikka*
